Substitute: BRIEF FOR APPELLANT

Dear Sir:

In response to the second Notification of Non-Compliant Appeal Brief mailed to the undersigned on June 24, 2008, Applicants attach and file herewith a second Substitute Brief for Appellant. The present Substitute Brief for Appellant is identical to the first filed Substitute Appeal Brief except that Appellant has changed "2006" to "2007" in reference to the declaration evidence as such declaration was filed in this case on April 26, 2007 and not April 26, 2006. Lastly, Appellant has amended the Summary of Claimed subject matter section in response to the Examiner's request to provide reference numerals and specification support for the claimed "speed sensing means" in claim 8 and the claimed "microprocessor" in claims 6 and 8.

The changes have been added in response to the requests put forth in said Notice. This response is believed to overcome the issues raised in said Notice.

Regards,
